

UPPER LIMB

Total claviclectomy as a rescue procedure.
Case report and literature review **124**

Metaphyseal bone decompression of distal radius for early stages of Kienböck's disease.
Minimum follow-up of 10 years **25**

Vascularized bone graft of the distal radius for recalcitrant ulnar pseudoarthrosis **31**

Phalangeal fractures treated with osteosynthesis plates. Short-term results **179**

Parascapular flap in post-traumatic soft-tissue loss at the limbs **157**

Versatility of the anterolateral thigh free flap in the reconstruction of coverage defects of upper and lower limbs **167**

LOWER LIMB

Trabecular metal cup outcomes in complex acetabular reconstruction.
Review of 42 cases with a 3-year follow-up **274**

Hip arthroplasty for failed internal fixation of intertrochanteric fractures **12**

Constrained prosthesis in primary total knee arthroplasty **94**

Atypical fractures of proximal femur associated with prolonged use of bisphosphonates **152**

Rescue of failed inter- and subtrochanteric osteosynthesis with a joint replacement.
Technique and results of a series of 61 cases **85**

Histopathological study in acute rupture of the anterior cruciate ligament of the knee **20**

Topical administration of tranexamic acid in primary total knee replacement **5**

Osteochondral autograft transplantation for the treatment of osteochondral injuries of the knee: evaluation of 62 patients with an average follow-up of 8 years **107**

Functional results and complications of tibial plateau fractures due to high-energy trauma **256**

Treatment of complex tibial plateau fracture associated with anterior tibial tubercle Involvement **268**

Acute traumatic dislocation of the proximal tibiofibular joint: case report and review of the literature **192**

Achilles tendon ruptures operated on with percutaneous technique: Surgical results and post-operative complications **113**

Analysis of dysplasia epiphysealis hemimelica (Trevor's disease) of the ankle **291**

Unusual presentation of a peritalar fracture dislocation **118**

Traumatic rupture of the extensor hallucis longus at the level of the distal insertion. Case report **298**

Results of minimally invasive surgery versus scarf osteotomy for correcting moderate and severe hallux valgus.
Retrospective observational study **233**

Parascapular flap in post traumatic soft-tissue loss at the limbs **157**

Versatility of the anterolateral thigh free flap in the reconstruction of coverage defects of upper and lower limbs **167**

SPINE

Rectus abdominis flap for the treatment of lumbosacral coverage defects **76**

Functionality and quality of life after neuromuscular scoliosis surgery **101**

Fresh frozen allograft in lumbar spine surgery. Does it increase the rate of infection? **188**

Lateral lumbar interbody fusion. Surgical technique and current concepts **303**

TUMORS

Spinal giant cell tumor in children.
Report of two cases **197**

PAEDIATRICS

Femoral neck stress fracture in a hyperactive
child taking methylphenidate. Case report **45**

Elastic stable intramedullary nailing for the
treatment of forearm refractures in children **242**

GENERAL TOPICS

Anastomosis among iliac vessels and obturators
in the retropubic region: study in cadavers **205**

Report on the radiation exposure in the Orthopedic
and Traumatology surgical staff.
Principles, legal framework,
and situational analysis in Argentina **210**

SAPHO syndrome. A case report **38**

Grebe syndrome. Case report **50**

Chronic recurrent multifocal osteomyelitis:
Report of three cases and literature review **283**

Treatment of pressure ulcer-related pelvic
osteomyelitis **248**

**POST-GRADUATE ORTHOPEDICS
INSTRUCTION – IMAGES**

Parsonage-Turner Syndrome **2 and 54**

Diffuse idiopathic skeletal hyperostosis **71 and 131**

Plantar vein thrombosis **147 and 214**

Mycetoma (Madura foot) **229 and 317**

EDITORIALES

To the membership of the AAOT **1**

Foot percutaneous surgery:
What should we be heading for? **69**

There is more to Residences than meets the eye... **145**

AAOT Morbidity and Mortality Committee **228**
